Dear Member:

To ensure the accuracy of our system and to complete our responsibility for auditing member share and loan accounts, we have enclosed a financial statement for the year ending 2025.

If there is any discrepancy in the amounts, we will contact you promptly upon receiving your response. Please note that if there is no activity on your account for a period of three years, your savings may be transferred to the state as unclaimed property. In addition, a \$12.00 annual dormant account service fee will be assessed.

Please complete the form, save, and email to sthelenacreditunion@gmail.com.

Sincerely,

St. Helena Parish Credit Union – Supervisory Committee
